Reproductions of Manuscripts and Rare Printed Books

THE LIST usually printed here has been replaced by a separate pamphlet, which will be sent without charge to all our subscribing libraries, and to any member of the Association who requests a copy. This pamphlet consolidates, with indices, the entire accessions, numbering 744, through the year 1941. Annual accessions hereafter will continue to be printed in successive Supplements until they become sufficiently numerous to warrant a second edition of the pamphlet, and this will be announced in the year preceding its appearance.

The pamphlet format is considered most serviceable to those members who use the list extensively, and for others to avoid further increase of the Supplement. It is also desirable to conserve paper.

(For the Committee on Photographic Reproductions, by the Editor)

REGULATIONS OF THE ASSOCIATION

ADOPTED 28 DEC. 1930; REVISED 21 JAN., 27 APRIL 1936, AND 10 JAN. 1938

Arrearages in Membership Dues:

If members are in arrears for dues as late as October 1 their ensuing copies of *PMLA* will not be mailed to them and they shall be dropped from the List of Members. They may resume membership on payment of dues and a reinstatement fee of one dollar.

Papers for the Program of the Annual Meeting:

Members of the Association may offer papers to be read either at the General Sessions, at the Departmental Sections, or at meetings of the Discussion Groups. The titles of papers proposed for General Sessions or for the Departmental Sections should, in all cases, be accompanied by synopsis (not to exceed 60 words) to be printed in the program.

Papers for General Sessions should be submitted to the Chairman of the Program Committee; papers for the Departmental Sections or Discussion Groups should be sent to the Chairman of the Section or Group concerned as announced in the Proceedings and end pages of *PMLA*.

The latest date at which proposals for the program can be received is October 1, but notice well in advance of this date is highly desirable as programs are usually made up before that date.

Manuscripts Submitted for Publication in PMLA:

Members have the privilege of submitting papers for publication in *PMLA*, whether presented at an Annual Meeting or not. Manuscripts should be addressed to the Editor of *PMLA*, to be referred to the Editorial Committee. No paper shall be accepted which has not been approved by the Editorial Committee and a consultant with special competence in the field of study.

Contributors shall be allowed seventy-five cents per galley for author's corrections, but charges in excess shall be paid by the contributor.

Fifty reprints in covers (or twenty-five in the case of communications in the "Comment and Criticism" Department) will be supplied to contributors gratis. A larger number will be furnished if desired, provided that notice is given by the time corrected galley proof is returned. The cost of these extra reprints will be determined by the basis of the actual charges made by the printers.

Books: Members may submit manuscripts of books for publication in the Monograph Series, Revolving Book Fund Series, and General Series. Inquiries should be addressed to the Secretary of the Association.

Projects of Research: Information concerning, or applications for aid in, projects of research should be addressed to the Committee on Research Activities, in care of the Secretary of the Association.
